

Sahar Kitchen is a distinguished name in the hospitality supply industry, delivering comprehensive kitchen and dining solutions for the luxury hospitality sector. Established in **2019** as a premium division of **Ideal Marble and Transport**, Sahar Kitchen was created with the vision to cater to the growing demand for **high-end hospitality products** across the UAE and beyond.

Our Mission

To redefine luxury and performance in hospitality by providing innovative, high-quality kitchen and dining solutions tailored to the unique needs of elite clients.

What Sets Us Apart

- **Leadership and Legacy:** Owned by visionary entrepreneur **Mr. Khames Mohamed Hassan Jaber Alhammadi**, Sahar Kitchen benefits from years of industry insight and strategic excellence.
- **Part of Ideal Marble and Transport:** Backed by a strong infrastructure and project experience in premium construction and interiors.
- **Premium Sourcing:** We collaborate with world-renowned brands to offer the best in culinary, dining, and hospitality ware.
- **Bespoke Solutions:** Tailored offerings for unique spaces—from palatial villas to ultra-luxury yachts.
- **Client-Centric Approach:** We prioritize long-term relationships built on trust, quality, and service excellence.

UAE 's leading Supply Chain Management

Our global network of trusted suppliers enables us to manage projects of any size

Food Products , Kitchen Equipment's and other luxury products for the hospitality and fashion industry, for clients seeking custom made products of the highest quality.

We manage the end-to-end processes of planning, purchasing, shipping and handover.

We work with suppliers to create meaningful brand engagement with a clear focus on the end users. By driving extraordinary guest experiences, hospitality spaces are activated, brand loyalty is grown, and lasting value is accomplished.
